AVERAGE LEVEL OF CUSTOMER INTERACTION

Work requires direct contact with customer.

EMPLOYEE + CUSTOMER PROTECTION

- Any tools designed for one-time use will be discarded after use.
- All employees should wear facemask and gloves. One facemask can be used per day. Gloves will be disposed of and changed after each client.
- No technician who has a fever or exhibits symptoms of COVID-19 should provide services to customers. The temperature of each technician should be checked before the technician meets with the first customer of the day.

- Services should be provided by appointment only - no walk-in customers.
- No one should be allowed to wait in the store; customers should wait in their vehicles until the service provider is ready.
- Leave at least 15 minutes between clients for sanitation and disinfection protocols.

- All equipment, chairs, and tables used by an employee should be sanitized between clients.
- Customers should be required to sanitize their hands upon entering the building and before each treatment.
- No employees with COVID-19 symptoms should provide services to clients.
- Post a sign outside the front door/window that states that any customer who has a fever or other COVID-19 symptoms must reschedule their appointment.
- No books/magazines should be provided to customers.

- The number of clients in a salon at a time should be limited to 50% of normal capacity.
- Only one client per service provider.
- Limit the number of people in the building (only those receiving service and service providers allowed in the building).
- Stations should be separated at least six (6) feet from other stations.

- Limit cash handling.
- Encourage customers to use credit/debit cards, tap to pay, Venmo, PayPal or another form of contactless payment.
- Sanitize point of sale equipment after each use, including pens.
