Being a member of the ADP allows me to see first-hand the dynamism & entrepreneurial spirit of the Greater Hattiesburg Area. We live in a region that celebrates each other's successes, pushes forward with optimism & opportunity, & seeks to provide a great quality of life for all of South Mississippi. The ADP plays a critical role in guiding our business community's efforts to achieve this, fostering our local entrepreneurs & small businesses while recruiting multinational corporations at the same time. That's not an easy balancing act, but the ADP succeeds through hard work, a can-do spirit, & an unparalleled Chamber & Economic Development Team.

Bill & I have truly enjoyed the opportunity to be members of ADP. It's a great way to meet people especially business members and learning about their businesses and making new friends that we would not have had the opportunity to do so if it wasn't for ADP.

STEW DEEN

THE NOWELL AGENCY

The thing I enjoy most about the ADP is the opportunity to network at all the events. Every event that I attend always puts me around the

people that care & do the

most to make Greater Hattiesburg a better place to live, work, & play. Personally, the ADP has given me additional opportunities for professional growth through programs like Leadership Pinebelt and Pine Belt Young Professionals.

MARK PRINE

CAMP SHELBY

As a representative of a 'non-business' member, I am afforded the unique opportunity to witness what a positive impact the ADP makes in our community. The positive image that the ADP presents to military personnel who visit & train in the Hattiesburg area is phenomenal. Without the ADP's approach to support all of the economic generators in Hattiesburg, Camp Shelby could not be as successful as it is in attracting military & non-military organizations to the area.
